The image displays six individual tracing worksheets arranged in a 3x2 grid. Each worksheet is designed for autism therapy and features a blue, rope-like line forming a specific shape. Various vegetables (eggplant, strawberry, carrot, lemon, and broccoli) and a rainbow are placed along the path of the line to guide the user's eye and hand. The shapes are: S, Z, L, F, K, and another S. The text "AUTISMENJEUX" is printed at the bottom of each worksheet.
