Five vertical towers of blocks are shown. From left to right, they contain 10, 8, 10, 10, and 10 blocks respectively. To the right of these towers are two small cubes. Below the towers and cubes is an equals sign followed by a large grey rectangular box for the answer.

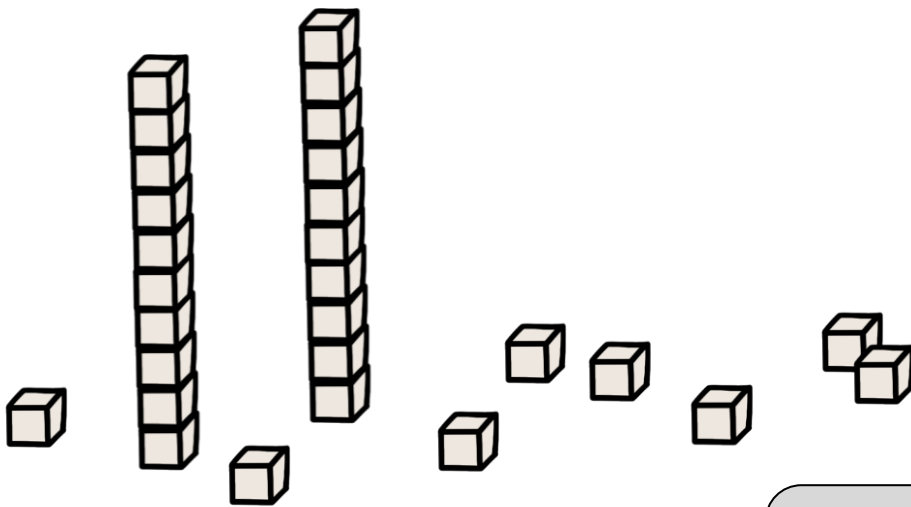

Five horizontal rows of blocks are shown. From top to bottom, they contain 10, 10, 10, 10, and 10 blocks respectively. To the right of these rows is one small cube. Below the rows and cube is an equals sign followed by a large grey rectangular box for the answer.
